Sandy,

Well its been another good year between us and I hope and believe we'll have a lot more. It's hard to believe a notter year has gone by and its ~~also~~ also hard to believe we've been dating for 2 years now. They are really gone by fast but I haven't got no regrets I honestly don't think I could have had as good a time as I've had with you doing anything else. If that makes sense to you. I really do think your the most beautiful girl in the world even if you don't believe me. Well even if I only did rate just a half a page I better go my limit is running out.

Love ya,
Always Mike #36

Loti, Guess who? Ya, its me your moving west friend! Well school almost out again and another year is coming. But this will hopefully be our last. We've had some fun this past 6 or 7 years and alot more to come. I don't have to worry about seeing you this summer since your just about a hop, skip and jump from me. I'll see you all the time. But really this past year has been great and I wouldn't have changed a minute of it. I hope you and Mike stay together until you to old pick up your feet and you have to help each other to bed. yf that aint long enough, for the rest of your lives. Well im almost running out of something to say so I guess I go here. See you soon.

That's

Those Miracle Moments at BHS... Moments to Remember

A "Shining" Star Is Born

Webster's Dictionary defines "homecoming" as the annual celebration held for returning alumni. But for the students and alumni of BHS, it has a much deeper meaning: Enthusiasm filled the air from the very beginning of the homecoming week festivities. BHS students showed their spirited anticipation by wearing the school colors for red-white day, by displaying their creativeness on poster day, and by bringing the junior and senior girls together for a battle, which led to victory for the senior girls in the powder-puff football game.

This spirit-filled atmosphere set the mood for the "big event," homecoming night. Even Webster's Dictionary couldn't have found the words to describe the excitement Chris Weathers felt when she was crowned 1980-81 Homecoming Queen. "I was excited, scared, and nervous all at the same time," said Chris. "I could hardly believe that I was Chris when they called out my name as Homecoming Queen."

Chris is the daughter of Mr. and Mrs. Jim Weathers of McCalla. She enjoys cheerleading, water skiing, and gymnastics. She is also the editor of the 1980-81 Pantheron and a member of the following clubs: National Mu Alpha Theta, B-Club, Art Club, and Pep Club.

Alma Mater

We have ever more been loyal.

Though our band be few.

We have rallied round our standards

And our colors true.

CHORUS

Always faithful, always loyal
To our ensign bright
Hail to thee, our high school colors,
Crimson and white.
Here's to thee, our dear old high school
Here's to thee a song;
May the Happy Mem'ries of thee
Linger with us long.

Directors

The 1981 Pantheron Staff recently polled the faculty members of BHS. We took the Category of show business and asked the teachers two questions:
A) "WHO IS YOUR FAVORITE STAR?"
B) "WHICH STAR REMINDS YOU MOST OF YOURSELF?"

To our amazement we found out that many of the teachers' favorites were the same as our own.

Leading Stars

As our senior year comes toward an end, we have only a short time to evaluate our past at B.H.S. We have starred in many performances as athletes, leaders, and students, enjoying every episode we played in. Now the stage lights are dimming, and we must pursue further interests. As we engage in our endeavors, B.H.S. will be in our hearts and minds giving us the determination and guidance as it always has; so that we can return as "shining" stars.

Dreams Become Realities

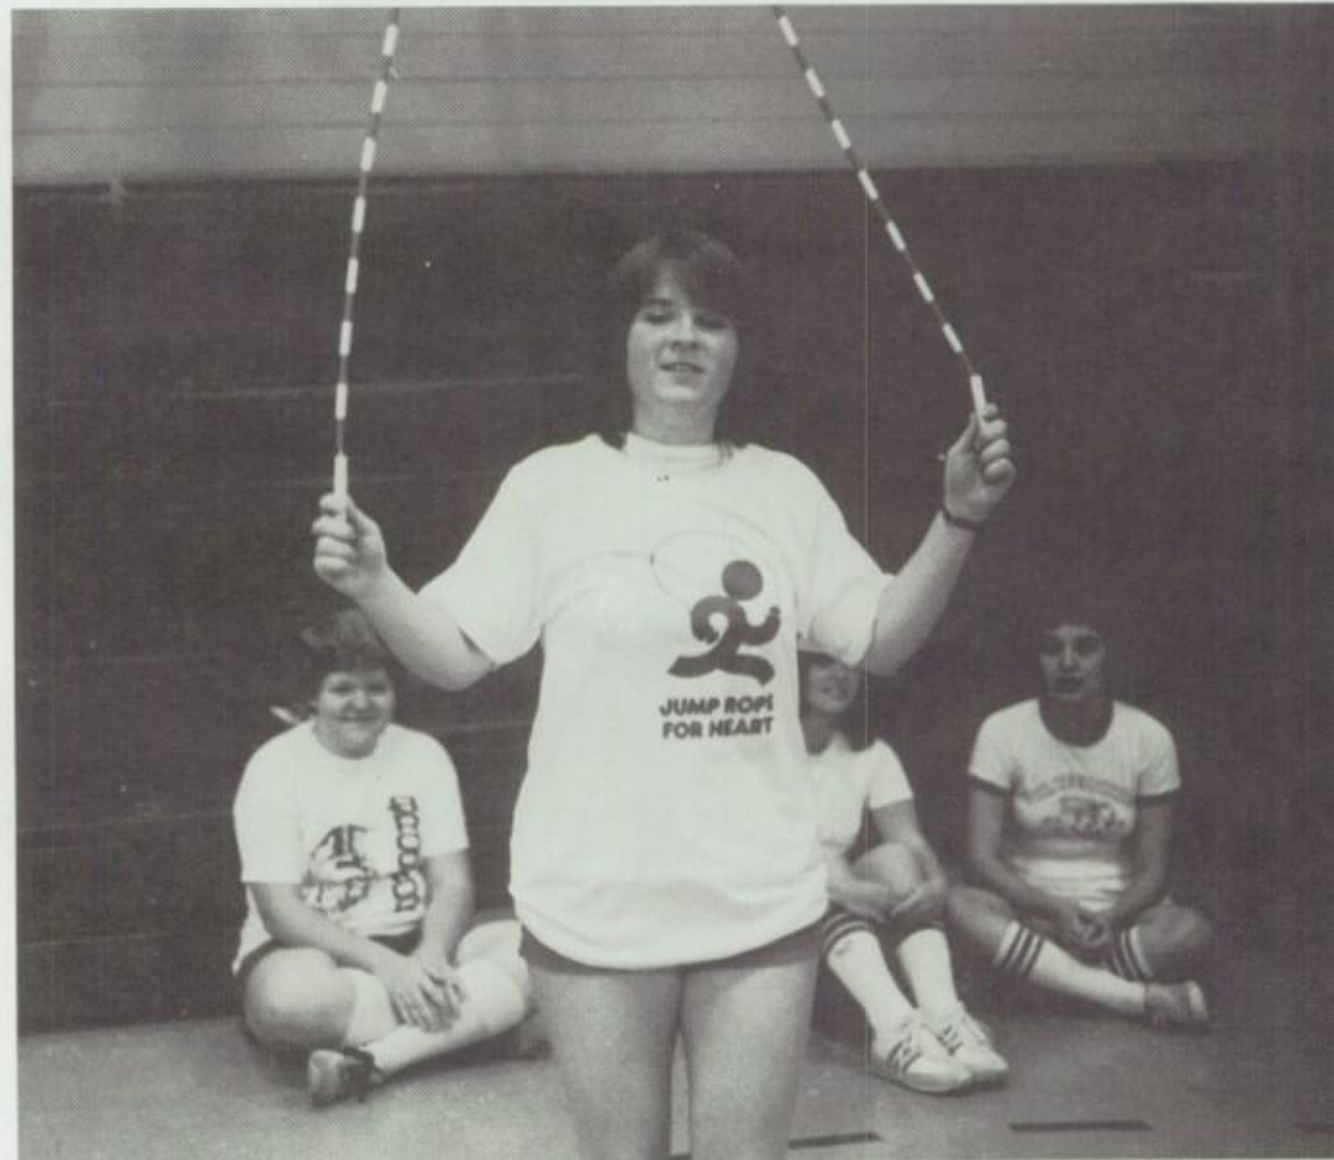

Many expressions are felt when someone can make someone else happy. We believe every member of the staff and student body felt some type of joy when our football field was dedicated to Billy Joe Young on Homecoming night. We are quite sure that someone was made very happy. That person was Billy Joe Young, a well deserving man who has given us all courage, strength, and most of all the will to continue. He has shared with us many joys. And we hope that through this dedication the memory of this special person will remain in the hearts of all associated with Brookwood High School for the years to come.

Come Let's Celebrate Tonight

Juniors and Seniors were shooting for the stars on the night of the 1980 prom. The memories that remain are precious and few, but they will always be cherished in the hearts of those who were touched by the magical excitement entwined in the atmosphere.

P.E. classes show their spirit by raising money for the National Heart Association in the Jump Rope for Heart-A-Thon.

BHS Students help make Homecoming week a spirited one as they 'get-it-all-together' with the costumes of "HICK-DAY."

Leading Stars Trample Understudies

As the annual Powder Puff Game came into focus during Homecoming week, the dead lock which was held for the past two years was finally broken. The Senior girls took hold of their roles as "leading stars" and beat the Junior girls in a 6-0 victory.

Special Effects

One of the highlights of 1981 was the B.H.S. Beauty Walk, where the girls were enhanced with loveliness. The Special Effects section brings into full view the star-lit night of this glamorous event.

Future Homemakers of America is a vocational student organization which meets the different interests and needs of home economic students. As an integral part of home economics curriculum, the organization provides an atmosphere for strengthening the family, learning life skills, and developing youth leadership.

FHA is involved in activities such as the toys for tots project, the trip to Partlow on Halloween, as well as the new energy project adopted by Mrs. Farris' classes entitled "Stop the Energy Thief." FHA works on various projects with FFA such as the background scenery for the beauty walk and the annual FHA-FFA dance. Mrs. Jones, one of the home economic teachers at BHS said that most of the members in our chapter feel that "FHA is not just something you join, it's something you do!"

Future Homemakers of America Work Toward New Horizons

BHS Student Excels as State FHA President

Connie Darnell, Daughter of Mr. and Mrs. Curtis Darnell of Cottdale, was elected president of the Alabama Association of the Future Homemakers of America at a state convention in Montgomery. She has been actively involved in FHA for four years and is currently serving as Vice-President of the Brookwood Chapter.

Miss Darnell's FHA activities have included being co-chairman of Brookwood's State Fair Exhibit and chairman of an FHA sponsored blood drive. She also served as chairman of the committee that planned the FHA fashion show.

In serving her term as president this year, Connie feels that Home Economics has greatly prepared her for life and allowed her to take one step forward in becoming a better person.

As a requirement for the third-year Home Economics class, students made Raggedy Ann dolls. The individual's own personal preference was used in the selection of the materials, colors, and size. Oddly enough, some of the dolls resembled their creators.

An original dimension to the band flourished as they attended the West Alabama Marching Festival. Not only did they rate high in sound but also accomplished a fine rating on the field with their outstanding performances. Ratings of excellence were also acquired by the BHS Majorettes and Drum Major.

Games People Play

BHS has shown great participation and effort not only in their studies but also in something far more exhausting — "Sports," a self confidence, self exhilarating, and mental determination which takes teamwork and pride. (Our athletes have accomplished many goals and have learned from their mistakes and defeats.) BHS Athletes have a certain tingle in their feet and a twinkle in their eyes which makes them strive for perfection.

BAS Varsity Football Players Hit 'Em With Their Best Shot

BROOKWOOD vs. MIDFIELD 0-20

In the season opener our mighty Panthers suffered many aches and pains. Despite the many injuries, the team pushed onward striving as dedicated sportsmen. Midfield came rushing on leaving the Panthers with a disappointing first loss. Team captains for the game were Harold Hannah and Mike Dennis.

BROOKWOOD vs. PLEASANT GROVE 6-3

The Panthers began their second game of the season with a BLAST! The offense played an important role in the game. As the end of the half was nearing both teams managed a field goal for three points each. The game remained tied throughout the second half forcing it into overtime. The field goal scored in overtime, gave Brookwood the winning points. Team captains for the game were Steve Chatham and Tim Foster.

BROOKWOOD vs. ABRAHMS 0-8

Brookwood's loss to Abrahms was completely unexpected, though it did prove to be the traditional knock-down-drag-out it has always been. Abrahms scored early in the first quarter and there the score remained throughout the rest of the game. Team captains for the game were Scott Myers, Michael Chambliss, and Russ Blackwell.

BROOKWOOD vs. WEST BLOCTON 10-6

Brookwood Panthers fought hard as our tough defensive tackles came through with two fumbles recovered. The offense worked effectively on both fumbles for a field goal and a touchdown. Blocton scored a six point run against Brookwood. Team captains for the game were T. Lacey and Earl Hosmer.

BROOKWOOD vs. OAK GROVE 23-22

The grueling efforts of both opposing teams were apparent by the final score. Brookwood's small lead in the final quarter was threatened by a two point conversion attempt, but the Panther defense held fast. Team captains for the game were Steve Chatham and Tim Foster.

BROOKWOOD vs. FAIRFIELD 0-21

The Homecoming game for the 1980 season was a bitter disappointment for the majority of those involved. A surprising Fairfield offense startled our defensive team, while our own offense suffered the loss of another quarterback. Team captains for the game were Jeff Brooks and Roscoe Boyd.

BROOKWOOD vs. DORA 11-28

Although immense effort and strategy were enforced in the Panther's outing against Dora, Brookwood fell to a surprising 17 point loss. The Panthers' attempt to regain control of the game failed after repeated touchdowns by the Bulldogs of Dora. Team captains for the game were Jeff Kizziah and Donnie Sellers.

BROOKWOOD vs. MCADORY 0-15

The annual rivalry between the Panthers and the Yellow Jackets proved to be a disillusion as Brookwood dropped to a 15-0 loss. McAdory drove in two fast touchdowns in the first half, but the Panther defense dominated the second half to hold the Jackets to only three first downs. Team captain for the game was Donnie Sellers.

BROOKWOOD vs. HOLT 0-7

An injury ridden Brookwood team fell to a saddening loss against the Ironmen of Holt late in the fourth quarter. A constant defensive battle dominated the game, but the Holt offense capitalized on a mishandled punt inside the 20 yard line. Team captains for the game were Donnie Sellers and Tim Foster.

BROOKWOOD vs. HALE COUNTY 14-6

Determination was the name of the game as the Brookwood Panthers made up their minds to go out as winners. The Panther defense shut down the Hale County offense three times out of four inside the 20 yard line, giving the Panthers a classy 14-6 farewell victory. Permanent captains were Donnie Sellers and Tim Foster.

Varsity Basketball Players Have the Spirit That Sinks the Goal

(L-R): Coach Bill Rice, Wes King, John Gunter, Orlando Smith, Shaun O'dell, Bill Hosmer, James Foster, Lorenzo Johnson, David Webber, Not Pictured: Paul Foster.

The BHS Varsity Basketball team has shown high potentials throughout the season. Coach Bill Rice has started four juniors in almost every game. Coach Rice said, "Even though they are a team lacking in experience, they overpower the scales with pride and determination. But their greatest advantage has been that they are a team."

Due to the fact that the team will be gaining experienced players from B-Team and losing four seniors, he feels that the team for next year will be both spirited and skillful.

We are well pleased with these athletes for their hard work and agility, which aided them in living up to our "sky-soaring" expectations. This team offers excellent prospects for our senior team in the years to come.

Jr. High Basketball Players Enhance the Excitement at Center Court

Although the Junior High Basketball team consisted of athletes who were full of spirit, they were young and inexperienced. Coach John McDonald, frequently called "Coach Mac," feels that the team will be stronger next year. He was proud of the competition they showed and supported them in their efforts. Coach Mac said that the team's largest handicap was that most of the players were like the coach — SHORT.

Even though some of the players worked very hard this season, the Girls' Basketball team was not altogether good. Coach Renee Spencer said that she was pleased as well as proud with the 8th and 9th graders as well as the other members of the team. She said that she looks forward to a more positive and hardworking team next year. Coach Spencer was not disappointed with the efforts made by her team and considered the year as a building stage. She looked proud as she said, "It takes a team to win and it takes a team to lose."

BHS Volleyball Team Sets Up Win After Win

The Smashing season completed by the Brookwood High Varsity Volleyball team accounts for their magnificent efforts. The players combined good sportsmanship along with an overall attitude to develop a fashionable record. Their performance as a team was well liked by team coach, Mrs. Renea Spencer. After attending an area tournament held at Fairfield, outstanding volleyball athletes were chosen for the All-State Tournament team.

Though the wrestling team's record for this year was a bit misleading; however, it shows a high potential for the oncoming season. The young team's record is not of many wins, but of individual accomplishments. The Panthers sprang into action in the 3A Sectionals hosted by Brookwood. The Matmen finished a strong 5th place with six wrestlers qualifying for the State Tournaments in Oxford. The young Panthers team, with only two graduating seniors, gained another year of experience to improve next year's record.

MASONRY

Personal satisfaction of a job well done is the end result of training in masonry. Butch Davis, Shawn O'dell, Stonie Poe, Jeff Kizziah, Robbie Colburn, Steven Cooley, and Todd Oglesby are learning a trade in masonry at Holt High School. The brickwork pictured here is only one of the many accomplishments of their trade.
